How to submit your FINAL assignment

You must be logged on to Moodle and be using a PC. **Tablets and mobile devices are not currently supported by Turnitin.**

1	Click on the **Evaluation relevant to your level of study**. Once completed, this will open the submission page.

If you are enrolled onto a module that has multiple levels of study, you must ensure that you click on the correct Evaluation for your level of study, i.e. if you are submitting your assignment at:

- Level 6, you should select EVALUATION - LEVEL SIX
- Level 7, you should select EVALUATION - LEVEL SEVEN

Failure to complete the correct Evaluation for your level of study will prevent unlocking your correct submission page.

Final Assignment Submission

Your progress ⑦

The submission page is only accessible after you have completed the evaluation.
Please ensure you complete the correct evaluation for your academic level.

| **2** | Click on **Answer the questions...** to begin the evaluation. |

Evaluation - LEVEL SIX🔍

Your feedback is invaluable in helping us to improve our courses and should take less than 10 minutes of your time.

To complete the on-line evaluation form, click 'Answer Questions' to start. Click on 'Next page' to move through the form.

Once you have completed the evaluation press the 'Submit' button at the bottom of the page. Once you have completed this survey you will see that the Turnitin assignment submission icon is revealed. You can now submit your assignment.

Please note that your responses to this survey are anonymous.

The feedback you provide may be used as marketing material.

Thank you.

Answer the questions... ➡ **Click to begin evaluation**

| **3** | Complete the evaluation questions and then click on **Submit your answers**.

This should unlock the submissions page. Then click on **Continue**. |

Click to submit ── Add Submission

And that's it! You should receive an automated email from Turnitin receipting your submission.

9 | Multiple Submissions

You can resubmit your assignment multiple times up until the submission deadline. If you have submitted your assignment already, just re-click the cloud icon again and follow the same instructions above in Step 5 to override your current assignment. Please note that the resubmitted file will overwrite the previous submitted file and your similarity score can rise.
